### **Pastor, Pastor's Spouse and Staff Confession**

Thank you Father that our Pastor, Pastor's Spouse and the church staff have the wisdom and knowledge from you to make all decisions and they have divine protection from any voice or spirit that is not from you. We thank you that our Pastor is surrounded by those who you have chosen to help him fulfill the ministry you have called him to. Thank you for his understanding heart to discern between good and bad (1 Kings 3:9). We thank you for exposing, revealing or removing anyone or anything that is not right in this ministry because all things are naked and open to you Heavenly Father.

We thank you that the gifts of the Spirit will be in operation at every service to meet the needs of the people.

We ask you to forgive those who speak negatively against our ministry or any other ministry for they know not what they do.

We praise you for our new Sanctuaries, the Fun Building Project, our lands and that every need is met for our Leaders and everyone in this ministry.

We thank you for our Pastor and his Family, that they strive to do your will, that their lives will always be a reflection of the Kingdom of God. We thank you that when our Pastor and his wife stand to proclaim your word, utterance is theirs, boldness is theirs and they make known the mysteries of the gospel. Thank you for every paid employee, every volunteer and all of the ministry staff that they strive to please you with their lives. Thank you Father that they will have spiritual discernment and know at the point of compromise not to fall but to be strong in the Lord and the power of His might and that they resist compromise.

### *Ministry Vision Confession*

We are Vision Builders expanding the kingdom of God in the earth, leaving fingerprints of righteousness on this generation and generations to come. Our assignment is massive, our impact is dynamic and our results are supernatural.

Thank you Father for the vision you have imparted to Pastor concerning this ministry and for those you have positioned to readily accept, participate and run with the vision. Thank you Father for every person who is in covenant with the vision. We thank you for committed supporters, delighted to give of their time and finances to see the vision of God come to pass in this Ministry, in this earth and at this time.

Thank you Father that every need for the people and ministry is met in Jesus' Name. Thank you Father for all of our buildings. We believe our ministry is debt free and we dedicate all of our facilities without a mortgage in Jesus' Name.

### **Ministry of Helps Confession**

Father, in the Name of Jesus, thank you for the Ministry of Helps at ACC. We pray and confess that they are a group of born-again, spirit-filled individuals that form a nucleus surrounding Pastor and his assistants to aid them in meeting the operational demands of the ministry, and the spiritual needs of the people who participate in the worship, study and social activities of ACC.

Thank you God that they assist Pastor in carrying out the God-given vision in spreading the gospel, including the eternal salvation, divine healing and health, the full operation of the gifts of the Spirit, as well as the spiritual and earthly prosperity.

Thank you Father that they work and participate together with Pastor as one body for the perfecting of the saints, for the work of the ministry, and the edifying of the Body of Christ. Thank you that they support the vision by setting an excellent example to those in and outside the membership of ACC through a consistent display of spiritual strength, moral fortitude and personal integrity. We praise you that they are an asset and a credit to the heavenly Father as co-laborers and joint heirs with the Lord Jesus Christ in spreading the gospel and promoting brotherly love, Christian camaraderie and fellowship.

Thank you God for spiritual development through continuous study and application of the word and that we are balanced in all we do in Jesus' Name. Amen.

### **Prayer of the Nation Confession**

Father in Jesus' Name, I thank you for our nation, our country and our government. I confess that we are a blessed nation for your word declares that "blessed is the nation whose God is the Lord".

Father, I hold up in prayer before you the men and women who are in position of authority in any way in our land. I pray for the president, the government, the congress, the senators, governors, judges, policemen, school teachers and administrators across the land in both public and private schools. I pray that the Spirit of the Lord rests upon them. I release my faith that skillful and Godly wisdom has taken residence in their hearts and they make righteous decisions for the betterment of all Christians.

Father, I ask that you surround the president with men and women of integrity who make their hearts and ears attentive to Godly counsel and do that which is right in the sight of the Lord.

It is written that the heart of the king is in the hands of the Lord and you turn it whichever way you desire. I believe that the hearts of our leaders are in the hand of the Lord and their decisions are divinely directed by you, Lord.

I give thanks for the laborers you have sent to spread the good news of the gospel in abundance across our land. In Jesus' Name, I believe that by you the witness of the Holy Spirit will keep this nation God-conscious and the leaders make choices that protect our religious freedom and peace in Jesus' Name.

### **Debt Freedom Confession**

Father, in the name of Jesus, I confess your Word this day over all my financial concerns. Your Word declares that you will perfect all that concerns me. I thank You for the promise of wealth and financial prosperity because I honor you with all my increase. I have sown liberally and I expect to reap liberally in Jesus' Name.

I have made and kept my vow as I have sown my seed for my debt freedom and liquidation. Your word says that I can decree a thing and it will be established unto me and the light of divine favor will shine upon my ways. I now declare and claim the promise of favor for supernatural debt cancellation and that I have unusual favor with all my creditors. I decree and declare financial increase for the purpose of paying off my debts ahead of schedule. I thank you Father that you are inspiring my mind with creative and resourceful ideas that will cause increase and promotion.

In the name of Jesus, I do covenant now to maintain my integrity and character through faithfully managing my debts. I have the discipline to deal wisely with the finances entrusted to me so that I demonstrate my faithfulness to support kingdom projects and my family. The angels are actively helping me to bring to pass the will of God for my family's needs to be met in abundance. Thank you Father for bringing me into the company of the people I need to know and the knowledge of the things that I need to know that are critical for my success and destiny in life. In Jesus' Name, Amen.

### *Next Level Confession*

Father, in Jesus' Name, I thank you that I have a passion for excellence and I have sufficient grace to go to the next level. I press toward the mark of the next level of personal growth, spiritual development and excellence in life. I thank you Father for your Word that declares that you have strengthened and empowered me to do all things through Christ who infuses me in every situation. I am able through your power working in me to do exceedingly, abundantly above all I could ask or think.

I have the wisdom of God to excel in all that I set my hand to do. I choose to personally set a standard of excellence for my life. The standard of excellence I have set for myself is contagious; therefore, I commit myself to motivate my brother and sister to move ahead and reach their full potential. I intend to reach all the goals that you have placed in my heart. This is the hour, this is the time, and this is the year that I choose to step up to a level of superior performance.

I thank you Father that I have the grace to rise to a new level of performance. I have an eye for detail in every area of my life. I am keenly aware when areas of my life spiritually, personally, naturally and physically need attention. I thank you Father that you designed me for perpetual growth and development; therefore, I believe I receive creativity because wisdom dwells with prudence and finds out knowledge of witty inventions. I thank you Father that I have an ever increasing mentality.

I choose to go to the next level and take my brother and sister with me. I respect the deposit of grace you have placed in my brother and sister; therefore, we work in harmony to build up the Body of Christ here at ACC because iron sharpeneth iron. I thank you Father for a built in regimen of rest, planning and vision. I trust you Father for the divine infusing I require to continue to do better. I thank you Father that I am a good steward. As I walk in excellence, I expect promotion, increase and respect in Jesus' Name. Amen.

### **Children and Teens Confession**

Father, in Jesus' Name, I thank you that our children are protected by the Blood of Jesus and no demon force can hinder your will coming to pass in their lives. I confess this day that all our children are disciples taught of the Lord, obedient to God's will with great peace and undisturbed composure. Father, I thank you that our children live holy lives and they keep themselves until marriage. I believe that our children have favor with their teachers and their peers. I thank you Father that every teacher that teaches our children whether in preschool, elementary, middle school, high school, or college is sensitive to your voice and has the wisdom to instruct our children.

Father, I thank you that the children and teens of ACC live their lives in a manner that glorifies you in all they do. I thank you Father that our children excel in their classes and they are the head and not the tail. I thank you Father that the angels of the Lord encamp around about our children and teens and no harm come to them. Father, I believe the Blood of Jesus covers all that concerns our children and they are protected and perfected by Jesus' Blood. Father, I believe that you perfect all that concerns us and our children. In Jesus' Name, this is my confession of faith. Amen.

### *Confession for Intercessors*

Father, as an intercessor, one who stands in the gap for others, I declare I am sensitive to your voice and the voice of the stranger I choose not to follow. I thank you Father that the desire to pray for others is prompted by you and I take my assignment seriously. I thank you Father that I live a holy life; therefore, your power can freely flow through me. I hear your voice, I obey your voice and I accept the call on my life to intercede for others. I thank you Father that you keep me from evil, you help me control my mouth and I speak no evil or guile on others. I thank you Father for giving me a mouth and tongue that the enemy cannot gainsay or resist. I thank you Father daily that the eyes of my understanding are being enlightened to your perfect will. In Jesus' name, I thank you Father that I cast the whole of every person's care on you and, therefore, I release the cares to you and I do not have to carry them. Thank you Father, in Jesus' Name, that you perfect all that concerns me. Amen.
